Next meeting we will have an addition: April Green! Representing LG 36

### **LG Applications:**

Steve has the applications for the LG Scholarships. He reminded the group to please keep the information within the group and not to discuss this around town.

We realize that we don't know how much money we have STILL. So we are not sure how many scholarships to give.

The precedent in the past has been to give 3 - ½ scholarships.

We have 4 applicants with an additional 1 applicant that did a write in ballot.

We are wondering if we can give a full scholarship but we agree that we should give 3 x 1/2 scholarships.

- We all agree that Margo Wilder should be one of the ½'s based on the committee knowing her community involvement and how being in LG will benefit her as well as LGAA in the future.

It was moved by LK (Lindsay Krieg) and seconded by JB (Jodi Bennett) and seconded that we give 1/2 scholarships to Margot Wilder, Debbie Sorgi, Mason Alley. All voted unanimously with Scott and Pete abstaining from the vote.

The question we still need to find out from the board is how much money do we have for scholarships?

**We will wait for an answer from the finance committee.**

**WAITING for BUDGET to figure this out for next year.**

### **Mission Statement**

***We are happy with our mission statement. ☺***

Mister President (Scott) looked them over and nodded happily. We cannot wait to present this to the board.

### **Grant Application:**

We reviewed Nikki's "Quick and Dirty" real quickly but realized that we will need to We will table this for now.

Scott gave a suggestion that maybe we require that anyone that gets an LG Grant or scholarship Give a 2 minute board presentation of how the \$ was used and what the impact was on the community.

**Next meeting August 18<sup>th</sup> 5:30pm Meetings will always be the 3<sup>rd</sup> Wed. of Every Month 5:30pm Dockside.**
